

A thru Z PEDIATRICS

Dear Parent,

We are frequently asked to provide a medical evaluation and complete forms required by a school district, organization, or club to clear a child for participation in certain physical activities.

These “sports physicals” should not replace the annual well-child exam. The annual well-child exam allows us to discuss any health problems your child may have, including acne or chronic health conditions. It is also our opportunity to discuss with your child important topics such as peer pressure, nutrition, and avoiding drugs, tobacco, and steroids. We want to develop an open, trusting relationship with you and your child so you can turn to us with questions or concerns regarding puberty, normal development, or any medical conditions.

If your child has had a well-child exam within the last year and now needs a sports physical, we may need to update the medical history and provide a limited exam prior to completing the clearance form. We charge \$20 for this service, which is payable at the time of your visit. We recognize that some schools offer pre-participation physicals, which may be a convenient and inexpensive alternative for you.

If it's been more than a year since your child's last well-child exam, we recommend that you schedule a well-child exam rather than a sports physical. We will be glad to complete the clearance form at the same time.

Thank you again for choosing us to provide this important service. We value your trust and welcome your comments or questions.

Sincerely,
Meena Chintapalli, M.D. F.A.A.P.
